**CVR Transport Kft Hungary:
complete legal and economic independence from Austrian CVR Group**

Dear Business Partners,

To avoid any confusion, in my capacity as owner and managing director of the companies CVR Transport Kft Hungary, Rail & PaperlogEASTics Kft Hungary and Cvörnjek & Prieger GmbH I take the liberty to inform you that above companies operate economically and legally completely independently of the Austrian CVR group.

These companies are in no case affected by the announced insolvency of the Austrian companies CVR Spedition- und Lagerlogistik GmbH, Transporte Cvörnjek Gesellschaft m.b.H, LGL Logistik GmbH and LGL Logistik GmbH & Co KG which are managed by my brother Richard Cvörnjek.

With regard to a continued successful collaboration I kindly ask you to respect our economic and legal independence.

My team and I would be delighted to unlimitedly provide you with our comprehensive services as before.

Kind regards

Karl Cvörnjek
Managing director
